An au pair is a young adult from another country who lives with a host family and provides in-home childcare for up to 45 hours per week. Au pairs also assist with light housekeeping and other duties associated with childcare such as: doing children's laundry, driving children to school and extracurricular activities, preparing children's meals, and supervising homework. The weekly cost averages about \$340 or \$7.50 an hour. **AuPairCare is offering PTA families a waived application fee and an additional \$300 savings in program fees, which is a total savings of \$650.** For more information please contact your local Area Director at 678-398-7225.
